

CNS Havurot 2008 Interest Form

A Havurah (Hebrew for “fellowship”) is a group of individuals, couples and/or families with children who meet regularly to study, socialize, and celebrate Jewish life in a unique manner determined by each particular Havurah. It is a way for congregants to develop “communities within community,” bringing together groups under the Neveh Shalom umbrella with like demographics, values and interests and giving our large congregation a more intimate feel.

This form allows you to tell us a) if you are already in a Havurah or b) if you would like to participate in one. The more details you can share about yourself, the better able we will be to match you with others to form new Havurot.
